

# Under Control

You had to return to the scene of the crime  
We're standing in the spot where we said goodbye  
And seeing me here has caught you by surprise  
Did you think I'd go crazy or lay down and die

(chorus)

I've got it under control  
I don't miss you baby  
Don't let the tears throw you  
It's just the rain from my soul  
I'm not me anymore  
But I don't think I've gone crazy  
Feel like a drunk on a tightrope  
Broken kaleidoscope  
Naked and out in the cold  
I've got it under control

The drinks are on me stay and watch the show  
Might fall flat on my face as the night unfolds  
Love is a circus, ask a clown who knows  
After a few laughs you'll pack up and go

(repeat chorus)

(bridge)

Seeing me here  
Has caught you by surprise  
Did you think I'd go crazy  
Or lay down and die

(repeat chorus)
