

# All In

You're comin' on strong like you're from old money  
But don't play games, I'm beggin' you honey  
I don't care if you're with somebody  
Ooh baby I'm all in (All in)

Well I can see through all of your lies  
Don't waste time with that disguise  
We'll throw it on the line and roll the dice  
Ooh baby I'm all in (All in)

We both got so much we could lose  
We're doin' so wrong but it feels so right  
You got me feelin' lucky tonight

If you got someone back at home  
What are you doin' here alone  
Don't you worry, I'll play along  
Ooh baby I'm all in (All in)

We both got so much we could lose  
We're doin' so wrong but it feels so right  
But baby I'm feelin' lucky tonight  
That's right

Come on baby if you play nice  
I'll let you win just once or twice  
We'll throw it on the line and roll the dice  
Ooh baby I'm all in (All in)

Ooh baby I'm all in
