

# Beautiful

Look at you lookin' at me  
From across the room  
You're so beautiful  
It's funny what a face can do  
You smile at me  
I smile right back at you  
Oh I'm comin' alive

(chorus)  
Feels like we're all alone  
It didn't take much  
I don't know your name  
I don't know your story, but baby  
Just keep on doin' what you do  
'Cause it makes me feel beautiful too

The room is loud but across the crowd  
My heart skips a beat  
You're so beautiful  
And every time our eyes meet  
My world stops, the curtain drops  
And that's all I need  
Oh I can't hold this inside

(repeat chorus)

(bridge)  
You reach through my eyes  
And open my mind  
You're in control  
You're holding my soul  
So come on, come on  
Baby let's go
