

Better Time

Wasting thoughts on yesterday
I'd rather chase the clouds away
It's a better time

Lonely people just believe
Happiness is in your reach
It's a better time for you
It's a better time for you

(chorus)
Whoa, what could we become
Can't let ourselves be strangers to the sun
It's a better time

Try to stop and say hello
Everyone is beautiful
It's a better time

Listen to the music play
We can all be one today
It's a better time for you
It's a better time for you

(chorus)
Whoa, what could we become
Can't let ourselves be strangers to the sun
It's a better time
It's a better time
It's a better time for you

(repeat chorus)
