

# Black Mascara

Black mascara  
Ruby red pair of lips  
That could blow your mind  
Lights go crazy  
Room gets hazy  
Try to hide the red in your eyes

Groovin' deeply  
Lost completely  
All defenses fell  
Dancefloor heartbeat  
Pulsin' through me  
Pullin' me under your spell

(chorus)  
Blowin' up the radar  
Freaky like a pornstar  
Every little move screams love me, love me  
Getcha goin' right yeah  
Keep you up all night yeah  
Gotta find a way to make you love me, love me

Movin' slowly  
Comin' toward me  
Still so far away  
Once I getcha  
Gonna letcha  
Walk all over me

(chorus 2)  
Blowin' up the radar  
Freaky like a pornstar  
Every little move screams love me, love me  
Buzzin' like a bee-oh  
Dizzy from the vino  
Gotta find a way to make you love me, love me
