

Bounce

You got a flirty little smile on that pretty little face
Legs for miles and a whole lotta bass
Shake what your mama gave ya, it's in your human nature
Girl that's your money maker, so drop that bottom to the ground
C'mon baby, don'tcha let it waste
Gotta, gotta, gimme, gimme just a little taste

(chorus)

(Gimme that bounce) On me baby
(Gimme that bounce) Up and down
Show me how you work it now honey
Drop it like it's goin' downtown
I'm ready, hey...Gimme that bounce

Let me see you werk like you're on a trampoline
Show me how you twerk ooh now baby you're the queen
You'll be my secret lover, we'll do it undercover
I wanna feel your thunder, so move your body up and down
C'mon baby, don'tcha tell me no
Gotta, gotta, gimme, gimme just a little more

(repeat chorus)

Hey baby you're my see-saw, ride me nice and good
You'll be my basketball, I'll bounce you off my wood
So don'tcha stop your movin', go on just keep on groovin'
I'm likin' what your doin, make that lovin' start to pound
C'mon baby, treat me nice n' rough
Gotta, gotta, gimme, gimme I can't get enough

(repeat chorus)
