

Change Of Attitude

We gotta breathe real deep, we gotta count to ten
We gotta let things go, every now and then
We need a change of attitude
Here's what we're gonna do
Leave all our troubles far behind
Gotta change our mind

You're gonna see things clear, when you leave your pride
It all starts with you, it's all there inside
We need a change of attitude
Here's what we're gonna do
Leave all our troubles far behind
Gotta change our mind

(chorus)
Look at that sun in the sky
See all those birds flyin' by
All those people with their happy smiles
Keep on waitin' for you to join the fun

We're gonna set things right, goin' all the way
We're gonna shine so bright, we're gonna start today
We need a change of attitude
Here's what we're gonna do
Leave all our troubles far behind
Gotta change our mind

(repeat chorus)

Ya gotta breathe real deep, ya gotta count to ten
Ya gotta let things go, every now and then
We need a change of attitude
Here's what we're gonna do
Leave all our troubles far behind
Gotta change our mind
Gonna change our mind
Happiness is what you'll find if you change your mind
