

Convertible

I can be your shelter on a rainy night
When your world is dark I can shine my light
I'll be your fire when you're feelin' cold
Give you open arms or a hand to hold

Any way that you want me to be
That's exactly what you'll get from me
I'll be a lion or a pussycat
I can change at the drop of a hat

(chorus)
I'm convertible
Like water into ice
Convertible
From naughty into nice

I can be your soulmate when it comes to love
Give you everything you've been dreaming of
Day or night, I'm at your beckon call
Try me and I'll show you I can do it all

Tell me girl what it is you need
Your satisfaction will be guaranteed
If you're out of luck or in a bind
Don't be afraid to change my mind

(repeat chorus)

I'll give you all I got girl 'til you get enough
I can be sweet or I can be tough
I'll be the angel that you never had
Or I can be a devil when you wanna be bad
I'm convertible, convertible
I'm convertible, convertible
