

Don't Worry Be Happy

Here's a little song I wrote
You might wanna sing it note for note
Don't worry, be happy

In our life we have some trouble
But when you worry you make it double
Don't worry, be happy

When you ain't got no place to rest your head
'Cause somebody came and took your bed
Don't worry, be happy

Landlord said that your rent is late
And he might have to litigate
Don't worry, be happy

Ain't got no place, ain't got no style
Ain't got nobody to make you smile
Don't worry, be happy

When you worry your face will frown
And you know you're gonna bring everybody down
Don't worry, be happy
