

Fade

Another sun falls in the sky
I have no control
I watch the world speed right on by
Where do the years all go

Every minute is a minute that I see
I won't get back
Every day another day older I'll be

(chorus)
I want to fade to a better place in time
I'm so afraid of these selfish hands of time
These selfish hands of time

I said goodbye to my old friends
I wish I would've known
Some I'd never see again
But their memories will grow

Circumstances rearrange
All too easily
Nothing ever stays the same

(repeat chorus)
