

Gotta Move On

Every day I
Keep on hopin'
To see your number on my phone
You're not replyin'
And I'm dyin'
'Cause I know I gotta move on

It's like the sun has set
Deep inside me
When I can't see you, the light is gone
It's the darkest
Before morning
Without warning, I gotta move on

(chorus)
I've been thrown in to the heart of the fire
I've been left here tryin' not to burn
Now I'm empty
And I'm lonely
But I know I gotta move on

Circumstances
Don't fall even
Second chances, they're all gone
What am I doin'
I keep losin'
More time, I gotta move on

(repeat chorus)

(bridge)
I keep tryin' to find my way home
It's so hard to be here alone
I gotta move on
I gotta move on
