

# Hawaiian Honey

Pretty little thing don'tcha know  
That'cha got me in a big mess  
Can'tcha see that you're all kinds of trouble  
When you're wearin' that sun dress  
Ever since that moment that I knew ya  
Who'd have known that I'd be stickin' to ya  
Every mornin', every day, every night  
No I'm never gonna lose ya

(chorus)

You're my honey  
Nothin' quite as sweet as the way that'cha love me  
The flowers all turn your way on a sunny day  
You're my Hawaiian honey

I can't get enough of the stuff  
No I'm never gonna say no  
Whatch me bubble up with your love like a big volcano  
Late at night when we're out in the cabana  
You bring the coconuts and I'll bring the banana  
And tomorrow when we wake up  
We can start workin' on our tan-na

(repeat chorus)

Follow me through all the islands  
The water's warm and the sun is shinin'  
Your sugar kisses keep me smilin'  
I'm stuck on you

Every since that moment that I knew ya  
Who'd have known that I'd be stickin' to ya  
Every mornin', every day, every night  
No I'm never gonna lose ya

(repeat chorus)

My Hawaiian honey, so sweet, like Hawaiian honey
