

# I Betcha

30 years of a pretty good life  
I never felt better than I do tonight  
Everything's going perfectly right  
You handed me the apple and I took a bite

The world stopped when I saw your face  
I'll run in slow motion into your embrace  
Don't have a lot of time to waste  
I'm up and down spun around in a daze

(chorus)

Feels like my heart just dropped to the bottom of the ocean  
Deep in it baby but I'm high as a kite  
Getting' love sick real quick dizzy with emotion  
I never fell in love at first sight  
But I betcha forever's gonna last all night

Love is blind won't you lead the way  
I'm slippin' your trippin' on the words I say  
Father time is miles away  
Start livin' in the minute baby its ok

(repeat chorus)

(bridge)

Ooh you are what I'm lookin' for  
Ooh and I promise you there's no excuse  
To not let loose and give me something more

(repeat chorus)
