

# I Can't Learn to Live Without You

Back in school I got A's and B's  
I was on an honor roll  
Everything the teacher taught  
'Til this day I still know

I thought I knew about love too  
But I made a big mistake  
'Cause there's a lesson that just can't be taught  
'Til ya feel your first heartache

(chorus)

I can't learn to live without you  
Baby I keep tryin' with all my heart  
I can't learn to live without you  
Maybe after all I ain't that smart

I tried datin' different girls  
Like my friends all told me to  
They'd fall for me but I would keep  
Comparing them to you

You'd think a guy like me could find  
A way to just move on  
But I'm learnin' more and more  
'Bout how to hurt since you've been gone

(repeat chorus)
