

# I Just Can't Help Believing

I just can't help believing  
When she smiles up soft and gentle  
With a trace of a misty morning  
And the promise of tomorrow in her eyes  
And I just can't help believing  
When she's lying close beside me  
And her heart beats with the rhythm of her sighs

This time the girl is gonna stay  
This time the girl is gonna stay  
For more than just a day

I just can't help believing  
When she slips her hand in my hand  
And it feels so small and helpless  
That my fingers fold around it like a glove  
And I just can't help believing  
When she's whispering her magic  
And her tears are shining honey sweet with love

This time the girl is gonna stay  
This time the girl is gonna stay  
For more than just a day
