

I'll Back It Up

If I say that I will always be your friend, I'll back it up
If I say I'm gonna love ya 'til the end, I'll back it up
Ain't throwin' 'round any fancy lines
Ain't talkin' trash I can't get behind
If I say it, I'm gonna do it, I'll back it up

I've got the courage, I've got the strength to back it up (back it up)
Even if I'm tired I will go to any lengths to back it up (back it up)
Dance with the demons, bust down their gate
Go through hell for Heaven's sake
If I say it, you know I'll do it, I'll back it up

(chorus)

I'll give you all my heart, with all my soul
You'll get your honey's worth my word's as good as gold
Stick to my guns, shake on the deal
Swear I'm no phony, I'm for real

If I tell you I won't wander, I'll be by your side, I'll back it up (back it up)
When I said I'd never let nobody hurt your pride, I'll back it up (back it up)
I know it's right, I feel it's true
What I'm sayin' is I'll always love you
If I say it, I'm gonna do it, I'll back it up

(repeat chorus)

If I tell you I won't wander, I'll be by your side, I'll back it up (back it up)
When I said I'd never let nobody hurt your pride, I'll back it up (back it up)
I know it's right, I feel it's true
What I'm sayin' is I'll always love you
If I say it, I'm gonna do it, I'll back it up
