

# I'm Trying

So much for fairytale endings  
That page was torn from my life  
I find myself still pretending  
But I should've known it was pain at first sight

(chorus)

Now you're leaving  
I'm trying to stop all the crying  
I need to move on  
But it happened so fast  
Thought I was strong  
But again I was wrong  
Cause my heart keeps on kicking my ass

I wish that it would stop beating  
Beating me up all the time  
It fooled me into believing  
That someone like you could have ever been mine

(repeat chorus)

(bridge)

I can barely breathe  
I know that it must be  
Pounding inside of me like thunder  
I opened up to you  
You beat me black and blue  
You knocked me out, now I'm down for the count  
1,2,3,4

(repeat chorus)

My heart keep on kicking  
My heart keeps kicking, my heart keeps kicking my ass
