

In My Arms Again

I've been away too long
I've gotta get back home
My love won't groove no more
Over a telephone

My heart just melts away
With every word you say
A thousand miles apart
But that's the price I pay
This gettin' lonely is gettin' me down
I gotta find a way

(chorus)
To get back
Back to you
Girl and then (I'll hold you in my arms again)
Gonna burn
From the fire
Of your skin (When I hold you in my arms again)

This clock is tickin' slow
This place won't let me go
If I don't see you soon
I'm gonna lose control yeah

No matter what I do
Can't get my mind off you
The walls are closin' in
I've gotta break on through
Time is standin' still it's time to make a move
I gotta find a way

(repeat chorus)

This gettin' lonely is gettin' me down
I gotta find a way

(repeat chorus)
