

I'm Sorry

How can anyone fight
On a night like tonight
When the moon is so golden

Now I'm drivin' you home
Just the radio on
Not a word has been spoken

So I lie here in bed
Thoughts of you in my head
And your picture beside me

Try to shut out the lights
But the moon is so bright
Leavin' shadows behind me

(chorus)
I'm sorry, I'm sorry
I'm sorry, I'm sorry

So what else can I say
To make this all go away
It's all makin' me crazy

Don't wanna be here alone
But you won't pick up your phone
I've been missin' you baby

(repeat chorus)

I don't want you to go
I don't want you to go
