

Let's Fake A Honeymoon

Judging by the way
You look at me I'd say
It's time to go
Baby me and you
Could fake a honeymoon
Let's sneak out real slow

Leave your cares behind
But bring your glass of wine
And one for me too
Follow me to nowhere
You know we're gonna get there soon

(chorus)
Baby, let's get away from everybody
I know that you're wantin' it too
I'm feelin' what you feel
I'll show you my love's real
Let's fake a honeymoon

If you come with me
We'll walk into a dreamlike hideaway
Look up at the stars
We'll find the one that's ours and fly away

And if we leave together
We can start a new forever
Let's just disappear
No one needs to know
Where we're gonna go from here

(repeat chorus)

If it's not too soon (If it's not too soon)
If it's not too soon (If it's not too soon)
Baby if it's not too soon
Let's fake a honeymoon
