

Long Haired Lady

Starin' at the clock on the wall
'Cause I can't wait to get home
So I can hold her in my arms when we're all alone

Everybody's in such a hurry
To get busted on whiskey and wine
But when the day's done I've got somethin' sweeter in my mind

(chorus)

Talkin' 'bout her long warm kisses
So delicious, tonight we're gonna take our time
You know I'm all tangled in that long haired lady of mine

Got the bubbles in the bath overflowin'
Some music and the lights down low
She got some champagne nail polish sparklin' up her toes

The day ain't getting' no younger
And my honey pie knows what I need
When I ask her for some sugar she'll know just what I mean

(repeat chorus)

Come on baby
Don't wanna keep ya waitin'
I can't wait until it's time to go
That's enough, hurry up
I'm in a rush to take it slow

(repeat chorus)
