

Lookin' Up

Lookin' up, the sun's just hangin' there
A bird arrow pointin' the way
To barefoot weather, it couldn't be better

Soak it up, lazy afternoon
Don't stay inside foldin' your towels
It's an SPF warning, the sunshine keeps fallin'
Down, down, down, down
Feels so good, things keep lookin' up

(chorus)
We're out here hangin' in the sunshine
Laughin' and havin' such a good time
Stupid ants marchin' in a bee-line
To the songs that we're playin'

Grab a seat right here next to me
I brought some deviled eggs along
They're Bobby Flay's recipe, I found 'em in a magazine

In the air napkins blow away
Landin' in a willow tree
Looks like a green umbrella with popcorn parachutin'
Down, down, down, down
Feels so good, things keep lookin' up

(repeat chorus)
