

LOVESICK FOOL

You got me spinnin' off the world
Bouncin' off the moon
You came crashin' like a wave
It all happened so soon
Now everybody knows I'm just another lovesick fool
That's the way it's gonna be, I'll be a fool for you

You got me swingin' from the trees
Reachin' for the sky
You got me beggin' on my knees
With that look in your eye
Now everybody knows I'm just another lovesick fool
That's the way it's gonna be, I'll be a fool for you

(chorus)
Oh, feels like heaven, I must be dreamin'
You can shake me but I ain't wakin' up
This all feels like we're in a movie
Where two people fall in love

Just like a Sunday afternoon
With the windows rolled down
We got the radio on
As we're cruisin' downtown
Now everybody knows I'm just another lovesick fool
That's the way it's gonna be, I'll be a fool for you

Oh, this all feels like we're in a movie
Where two people fall in love

And now I'm spinnin' off the world
Bouncin' off the moon
You came crashin' like a wave
It all happened so soon
Now everybody knows I'm just another lovesick fool
That's the way it's gonna be, I'll be a fool for you

They're gonna know, They're all gonna know
I'm a lovesick fool
