

Mirage

You never asked for
Diamonds or pearls
When you were my genie
And your lamp was my world
Now I'm trapped in this prison
I can't undo
With a mirage of you

Our love once so strong
Now feels like a curse
A black magic spell
That I can't reverse
Lost like a treasure'
That's missing its clues
With a mirage of you

(chorus)
I'll follow you through a desert
I see your face so close but then
It slips away

Just an illusion
A dream that won't come true
With a mirage of you

(repeat chorus)

As day turns to night
And black fades from blue
I'm all alone
With a mirage of you
