

Misery

Goin' nowhere way to fast
Watchin' my dreams fly on past
Wishin' I could get a second try

All along I thought I knew
But all this time I had no clue
Now I sit here asking myself why

(chorus)
Maybe I should run away
To end this life of misery
So everything can become clear
And show the reason I am here
Until then I am stuck like this
Swimming in a pool of my own piss
And I should just run away

Done the same thing every night
For the past year of my life
Silent screams are running through my head
Easy girls and alcohol
Pukin' in a bathroom stall
Wakin' up in someone else's bed

(repeat chorus)

(bridge)
I know I need to get a grip
Before my head just starts to split
I know I need to get on track
Before my head begins to crack

(repeat chorus)
