

Ordinary Life

Everyday I've been breathing the same air
Never had a good reason to leave here
Then you came around
And I'm one step up on the stairway to heaven
I'm lookin' down
At the one I used to be

(chorus)

Never thought I'd ever rise above an ordinary world
Never thought I'd ever find an extraordinary girl
To take me out of my
Ordinary life

Like a cloud in my head
I just kept getting wet from the fallin' rain
Take a breath, take a look, take a chance
Take me out of this same old thing
Then you came around
Now I'm falling head first through a watercolor sunrise
Lookin' down
At the one I used to be

(repeat chorus)

Now I'm flying high
No ordinary life
