

Plenty Of Mistletoe

You called me up to wish a Merry Christmas
I bet you thought that I'd be feelin' blue
Well much to your surprise
I've been doin' alright
I can safely say I'm finally over you

I'll admit that Easter wasn't easy
And summertime was three long months of pain
But now winter's back in town
The world has spun around
And I'm back on my feet once again

(chorus)
And I've got plenty of mistletoe this year
Gonna spread a lot of Christmas cheer
Last year when you said goodbye
You broke my heart and made me cry
But I'm kissin' away all my tears
I've got plenty of mistletoe this year

Remember when we used to go out walkin'
Through the snowy streets on Christmas day
Well girl, those days are gone
But I won't walk alone for long
No, I'll find somebody new to take your place

Well now I'm not gonna waste another minute
I'm movin' on, wipin' the slate clean
Shakin' off the snow
One more eggnog for the road
Then I'm off to paint the town red and green

(repeat chorus)

I've got plenty of mistletoe this year
