

Poision

Poison, Poison

You got a hold over me and it's squeezin' me tight
One little kiss on my lips and I'm feelin' your bite
You got me lovesick, numb in the brain
Now I can't get you outta my veins
Poison, Poison

Sweet sin slithers in, it can catch you off guard
Hot legs slidin' up to a cold, cold heart
I'm seein' double, am I insane
Now I can't get you outta my veins

(chorus)

There's an ocean washin' over me
I'm in so deep that I can barely breathe
I'm getting' dizzy and I'm weak in the knees
I know you're trouble but it feels so good

You'll tempt me with forever just to give me an hour
You'll fool with me with control to make me feel your power
You're like a tiger that I can't tame
Now I can't get you outta my veins
Why's there pleasure in all this pain
When I can't get you outta my veins
Poison, Poison, Poison, Poison
Poison, Poison, Poison, Poison
