

# Red Light District

Seven days and seven nights  
Of holidays and drunken fights  
Til dawn, til dawn  
Tears of rum flow down my face  
Into my mouth, don't let them waste  
Flow on, flow on

Abandoned to a dreamless sea  
A sobering reality  
Just pour, just pour  
Another sip is all I need  
To satisfy my selfish greed  
One more, one more, then one more

(chorus)  
Now the lamps burned out in the red light district  
The taverns slammed their doors  
I'll raise my glass and drink for ever til I hit the floor  
Then I'll drink some more

Please don't help me realize  
My happiness is liquefied  
I know, I know  
A crew of one is all I need  
My conscious formed a mutiny  
Alone, alone, so alone

(repeat chorus)
