

Seasick In Venice

Standing where I hoped that I would be
Breathing in the air of victory
Livin' in a world not what it seems
Nothin's ever enough
Gonna bottle it up
Gonna bottle it up

The farther that I go it's all the same
Choking on confusion from the game
A watercolor painting in the rain
All the edges are rough
I'm gonna bottle it up
I'm gonna bottle it up

(chorus)

And now I finally made it
And I found I think I hate it
Spun around, seasick in Venice
And I feel like I've been drownin' in a dream

I've been runnin' full speed through the fire
Tryin' to chase the shadow of desire
Burnin' everyone who helped me higher
But enough is enough
I'm gonna bottle it up
I'm gonna bottle it up

(repeat chorus)
