

Stay In School

He had a good dream
Frolicking like a pony in his sleep
Through the fields of green
Rainbows, roses, butterfly nets

Woke up in the real world
And his mother called to tell him he sucks ass
Shitty job with no girl
Now he's wishing he just stayed in class

(chorus)
Mopping floors on aisle 4
Was not what he had planned
All his friends come laugh at him
As he scrapes the grout
And empties out a garbage can

She gets T.H.O.
As she opens the door to buy some frozen peas
He sees her and knows
That he's got no chance with no degree

(repeat chorus)

Stay in school
Don't do drugs
Use a condom
And don't chew tobacco

(repeat chorus)
