

# Surfing Tidal Waves

Don't wake me up  
I wanna fall into a secret dream  
Where the doors are locked  
But I will bring the key

Do not disturb  
Once I get there I will let you in  
To a world I guarantee  
You've never been

(chorus)  
Fly away  
Chase a comet through the Milky Way  
Come back down and surf a tidal wave  
Hold the sunrise in my hands  
Jump through time  
To a better place where you are mine  
Take my hand and then we both will fly  
Through a dream that never ends

Don't wake me up  
Don't wanna find out it's all make believe  
Reality is not a friend to me

(bridge)  
The dark and lonely weather  
Won't bring us together tonight  
The only way to make it better  
Is for me to close my eyes

(repeat chorus)
