

# The Good Ol' Days

Saw an old friend on the holidays  
One I hadn't seen in years  
We both talked about the memories  
All the laughs and all the tears

Now it all feels like so long ago  
Another lifetime in the past  
When we thought we had it figured out  
Damn those good times never last

(chorus)  
Lookin' back  
at what we call the good 'ol days  
Watchin' time keep marching on  
I wish I'd known  
I was living in the good ol' days  
Before those good ol' days were gone

Today a song came on the radio  
Made me think of my ex-wife  
That one we danced to on our wedding day  
When I promised her my life

Now it all feels like so long ago  
Another lifetime in the past  
When we thought we were on top of the world  
But it was just an hourglass

(repeat chorus)

Now I sit here with this ol' guitar  
Thinkin' 'bout the life I lead  
I'm so thankful for those memories  
And all the good times in between

(repeat chorus)
