

The Life For Me

I wish I could be 19 all over
But with a fake I.D.
And lots of money
I'd of done things differently
Leavin' my home in California
There's so much more to see
Gonna start over
Livin' life, that's the life for me

A 10 hour flight from San Francisco
To Tokyo, Japan
I'm high on a brainstorm
I might as well go to Amsterdam
What has happened to these last years
They've disappeared it seems
I'm gonna find them
Livin' life that's the life for me

(chorus)

I'm on my own in the greatest unknown
I'll send photographs from my phone
They'll make you laugh
From all across the world
No turnin' back
Just a passport and backpack
So much to see
That's where I'll be
Livin' life that's the life for me

French fries taste really good in China
The memory of home
Been eatin' weird stuff
'Cause like they say when in Rome
Roamin' across this floating planet
Peru to Calgary
Havin' a good time
Livin' life, that's the life for me

(repeat chorus)

I feel like I'm 19 all over
Don't need a fake I.D.,
Could still use the money
But I'm livin' life, that's the life for me
