

Those Swingin' Doors

Look here, you lyin' politicians
There's one thing I think you oughta know
Don't even try to talk to me about your dang economy
Read my lips you still ain't got my vote

I think I'll start my own campaign
Tune it up and take it on the road
Play in every honky-tonk, givin' people what they want
The one thing I can promise is one hell of a who

(chorus)

Those swingin' doors will swing once more
Throw a little sawdust on those warn-out hardwood floors
We'll put the "honk" back into honky-tonk
We're gonna rock like never before
And those swingin' doors will swing once more

What's that? You say I'm talkin' crazy
Well I don't know, you just might be right
But if you come down here and take a chance
Have a beer and dance a dance
You will see just what I mean tonight

(repeat chorus)

Those swingin' doors will swing once more
