

Underneath It All

There's times when I want something more
Someone more like me
There's times when this dress rehearsal seems incomplete
But, you see the colors in me like no one else
And behind your dark glasses you're
You're something else

(chorus)

You're really lovely, underneath it all
You want to love me, underneath it all
I'm really lucky, underneath it all
You really love me

You know some real bad tricks and you need some discipline
But lately you've been trying real hard and giving me your best
And, you give me the most gorgeous sleep that I ever had
And when it's really bad I guess it's not that bad

(repeat chorus)

So many moons we have seen
Stumbling back next to me
I've seen right through and underneath
And you make me better
I've seen right through and underneath
And you make me better, better, better

'Cause underneath it all you are my real Prince Charming
Like the heat from the fire you were always burning
Every time you're around my body keeps calling
For your touch your kisses, and your sweet romancing
There's another side of you well this a woman yeah adore
Aside from your temper everything else secure
You are good for me baby for that I'm sure
'Cause over and over again me want more

Honey you used up all your coupons and all you've got left is me
And somehow I'm full of forgiveness I guess it's meant to be
