

# Why

Sitting, waiting, watching the phone  
She left me now I'm here all alone  
Why'd she go and do this to me  
It's not the way I thought it would be

Now she's made my life a living hell  
She's probably in some cheap motel  
Hooking up with some other guy  
Spitting out the same old lies  
Like she told me she'd love me til the end of time

(chorus)

Tell me why  
She ripped the heart out from my chest  
All that I  
Ever gave her was my best  
Tell me why she makes me crazy inside  
Lit up my world then smashed out my light  
Tell me why  
Tell me why  
Tell me why

Standing up for my defense  
I'm a victim of my innocence  
She used me then she threw me away  
I didn't get the chance to say... (Fuck You)

No I'm sitting crying on my bed  
Thinking I'd be better dead  
Trying to get her out of my mind  
I'm looking but I just can't find any answers  
Nothing's making sense to me

(repeat chorus)
