

With Me

When it's rainin'
Stormy weather
I'll be the one with the big umbrella
You can walk forever with me

When it feels like everything's wrong
I'll be the one with a happy little love song
You can sing along with me

(chorus)
Though it's blind, sometimes you'll find
True love before your eyes
Can't you see I'm waitin' there
I'll be here or anywhere you wanna be

Just like a princess
Live a life of champagne kisses
You'll get all your wishes with me

(repeat chorus)

Whatever weather
Underneath my big umbrella
Hand in hand together we'll be, oh yeah
Won't you come along with me
