# Wrong Again

C-C-Comforts crashin' down
B-B-Baby don't leave now
Things are shady
Too many maybe's
Don't wanna do this again
Goin' crazy
Everything is hazy
Don't want to give up yet
Won't you tell me

(chorus)
How can I go on believin'
When I'm feelin' like I'm feelin'
Show me, show me I'm wrong again
Why do I feel like the only
One that's gonna end up lonely
Show me, show me I'm wrong again

G-G-Gonna lose my mind
Why's the truth so hard to find
You got me thinkin'
Now I'm sinkin'
Deeper into the doubt
But I'm hopin'
That you're bein' open
Don't wanna do this again
Baby tell me

(repeat chorus)

You got me thinkin'
Now I'm sinking
Deeper into the doubt
But I'm hopin'
That you're bein' open
Don't want to do this again
Baby tell me

(repeat chorus)
