

Younger Everyday

It's gonna be a better mornin'
The sun is shinin' all the way
I've got a feelin' and I just can't make it stop
I'm getting' younger everyday

I throw my worries out the window
I pour my troubles down the drain
I slide across the kitchen floor in business socks
I'm getting' younger everyday

(chorus)

I used to live inside a circle
Dizzy wastin' time
Goin' 'round and 'round
And upside down
I was 'bout to lose my mind

But now I'm swerving 'round the speed bumps
I'm gonna go a different way
All the signs are pointin' to a better place
I'm getting' younger everyday

(repeat chorus)

But now I'm jumpin' off the deep end
I threw the hourglass away
You know I'm gonna give it all I got
I'm getting' younger everyday
