

Back To The Lovin'

There you go again baby
Breakin' my heart
Things just keep on gettin' shady
Taken too far

You're gettin' tough and
I'm gettin' nothin'
Baby what'cha tryin' to do (We both lose)
We can wait tomorrow if you wanna fight
But take a little break tonight

(chorus)
And let's get back to the lovin' (Back to the lovin')
Let's get back to the lovin' (Back to the lovin')
Get back to the squeezin', teasin'
Lovey dovey, dovey kinda lovin' (Back to the lovin')

There you go again baby
Tearin' me down
Actin' all kinds a crazy
Draggin' me 'round

You're gettin' tough and
I'm gettin' nothin'
Baby what you tryin' to do (We both lose)
We can wait tomorrow if you wanna fight
But take a little break tonight

(repeat chorus)

Baby we've both got just as much to lose
(There's so much to lose)
So what's this gonna prove
We both know that there's one thing left to do
