

Better Man

Baby, baby you know I don't wanna make you cry
But everything I've done put another tear in your eye
I was blind, been a fool
To do the things that I did to you
Nothin' else matters now but trying to prove I'm a better man

(chorus)

Been through hell and back a time or two
All along I took it out on you
Now I swear I'll spend my whole life through bein' a better man
A better man for you

All the clouds are gone and now I finally see
Where I went so wrong and who I wanna be
People change, everyday
I have no choice it's the only way
Never wanted you to be afraid I'll be a better man

(repeat chorus)

Ooh baby
I've wasted all our time together
Ooh baby
Every hour every day I'm gonna be a little better

Baby baby you know I don't wanna make you cry
Let me be the one to dry all the tears in your eyes
I'm a better man
I'm a better man
