

Biggest Cat In Town

Well I'm pearlin' up the ivories
Slickin' back my mane
Once you hear my mighty roar
You'll never be the same
Step into my kingdom
Welcome to the wild
I'll show you who the king is
Like it's goin' outta style

(chorus)

I'm on the prowl
I ain't got time to monkey around
It's a jungle out there baby
And I'm the biggest cat in town

I'll eat 'em up and spit 'em out
And throw 'em on the floor
If they know what's good for them
They won't come through that door
Here's a warning to the ones
Who's path I'm gonna cross
If it comes down to a showdown
Then I'll show 'em all who's boss

(repeat chorus)

I'll rock 'em, pop 'em knock 'em down
And swing 'em by the tail
When they see just what I got
They're gonna scream and wail
Everybody's tryin' to get a piece of me
Just look right in my face
I'll show you how it's gonna be

(repeat chorus)

It's a jungle out there baby
And I'm the biggest cat in town
