

Biggest Fan

Pardon my words but the world is broken
If a day goes by that it's left unspoken
That my head's in the sky and I feel like I'm floatin' away, away

I feel the boom, boom, boom of my heart a'thumpin'
When she walks in the room I don't care about nothin'
But I'll bite my tongue until I get the chance to say, to say

(chorus)

I'm your hero baby
I'm your Superman
I'm the one to turn your maybes into "Yes I Cans"
Yeah it's complicated
Try to understand
You won't be underrated
Baby I'm your biggest fan

I try to hold it all in but I'm under pressure
When I feel your skin it's a new adventure
Not a doubt in my mind that this is where we're supposed to be, to be

I feel the burn, burn, burn of my fire blazin'
Gonna go won't hold back, time's a wastin'
Put your hand in my hand and baby fly away with me, with me

(repeat chorus)

We've been livin' in the dark
But the light is breakin' through
We were written in the stars
Let me prove, prove to you that I'm yours
