

Blow Me A Kiss

Across the room
I see you smile
I'm watchin' you
I like your style
We're makin' eyes
It's plain to see
That you and I were meant to be
Oh girl, give me some kind of sign
Just wave your hand or wink your eye
Or better yet

(chorus)
Blow me - a kiss
Show me your sweet, sweet lips
You'll see, I can't resist
Honey (Honey), blow me a kiss

I'm movin' in
Closer to you
It's getting' hard
To keep my cool
There's heated thoughts
Of what to say
If you blow your kiss my way
Oh girl, the ice is breakin' soon
All I see is you in this crowded room
So come on

(repeat chorus)

Oh girl, give me some kind of sign
Just wave your hand or wink your eye
Or better yet

(repeat chorus)
