

# Dirty Deed

Everybody's talkin' 'bout it  
Don't nobody know a thing about it  
All they know is that's just what they need

All the guy's come in divided  
All the girls they try to fight it  
But everybody wants the dirty deed

(chorus)

Ain't nobody want to be here alone  
Try to find someone to dance up on  
Shake that thing and pass that booty along  
Got to find somebody to bring home

Hey girl you're movin' naughty  
Go ahead rock rock your body  
C'mon slide that thing up on to me

Go on throw back that juice  
Maybe later we'll just let loose  
Up and down with your caboose  
Like a see-saw gonna break'a break'a piece off  
Breakin' off those ones and twos  
Lay it back and feel that groove  
Hurry up I'm in the mood  
I need, I need, I need the dirty deed

(repeat chorus)

Hey girl you're movin' naughty  
Go ahead rock rock your body  
C'mon slide that thing up on to me
