

Diva

Drippin' with bling in a silicon jungle
Flirtin' with the guys, makin' eyes, causin' trouble
Paintin' up your face like a pink wedding cake
Got the whole room lookin' at you (All eyes on you)
Everybody better watch out (Watch out)
Clear the way when you walk out (Walk out)
We came together but you're thinkin' that you're better
Like the whole worlds spinnin' 'round you

(chorus)

Actin' like a diva
Doesn't make me want'cha
Sayin' look at these, you're just a little tease
The mirror's gonna haunt ya
Actin' like a diva
Beggin' for attention
Lookin' like a star only gets ya so far
Gonna need an intervention
Hey hey hey hey (Hey hey hey hey)
Ho ho ho ho (Ho ho ho ho)
Ya ya ya ya (Ya ya ya ya)
Whoa whoa whoa whoa (*Whoa whoa whoa whoa*)

Oh, and another thing
Every time I want your lovin'
You say you're busy and you gotta get a runnin'
Lookin' that way (Way), you better stay (Stay)
Messin' with my mind every night, every day
I don't like it, I don't like it, I don't like it, I don't want it
I don't like it, I don't like it, I don't wanna wanna wanna want it

(repeat chorus)

Painted lips, fingertips, try to tell ya
You're runnin' late like a fake Cinderella
I really like ya, you know I like ya
Stop bein a little...shhhh
