

Don't Cry

The Nile river won't run dry
If tears keep fallin' from the corners of your eyes
Rainstorm poundin' in my ear
Crazy confusion is all that I can hear

(chorus)

So don't cry, don't cry, don't cry
Everything will be alright
Take my hand and hold on tight
I'm here for you tonight
So don't cry

If you want me you must decide
Raging waters from your soul cause a landslide
Change from fire to frozen blue
No one can stop the eruptions that you do

(repeat chorus)

Bodies sweating drenched with lies
We drink each other 'til the well's completely dry
Promises and empty cries
I kiss your lips, but you never close your eyes

(repeat chorus)

I'm here for you tonight so don't cry
I'm here for you tonight so don't cry
