

Fat Mannequin

Spin, spin revolving door
Enter the social war
Pink painted smiles dress the unaware

Cha-Ching goes the cash machine
The shallow end of the mainstream
Generic fashion for the clones to wear

Clearance on ignorance
Across the trestle, red tag special

(chorus)
Plastic people try to sell the world
The things they want and more
Live the dream though things aren't what they seem
Society says, get that fat mannequin out of my store

McTake a break for a McSnack
It costs a buck and a heart attack
Suck in your gut and get back to the war

A puppet staring down at me
Telling me who I ought to be
If I buy that shirt then I won't be ignored

Consumer paradise is mass production mind seduction

(repeat chorus)
