

# Fireworks

Baby's like a walkin' stick of dynamite  
Flyin' like a bottle rocket through the night  
The girl's outta sight, hold on tight  
She's got a short fuse I'm about to ignite

(chorus)

Fireworks, fireworks  
Fireworks shoot across the sky  
Every time we kiss is like the 4<sup>th</sup> of July

She will never hesitate to put on a show  
She blows away every other woman I know  
All systems go into lock and load  
Better run for cover, she's about to explode

(repeat chorus)

Now it's hard to explain what she does to me  
You never would believe this kinda energy  
Her intensity comes so vividly  
Shootin' off sparks only we can see

(repeat chorus)

Fireworks, fireworks, fireworks  
Fireworks, fireworks, fireworks
